“*Rosalinda and I were study buddies at Our Lady of the Lake University where we both earned our MBAs. I remember Bertha graciously allowing us to use her house for our study sessions. I lost track of Rosalinda after her area relocated to the USAA office downtown. Just last night, I was looking to see if she was on Facebook and was heartbroken when I came across her obit instead. I will always remember her sweet personality and that smile. Rest in peace Rosalinda. - Valerie*

“ My deepest condolences to all of Rosalinda family. Both me and my husband worked at USAA back in 1995. She was our manager and really cared about her team. As a person she was very kind friendly and always happy. May she rest in peace. Lydia and Cesar Garcia

“ I just returned from vacation and heard the sad news about Rosalinda. I served as a United Way Loaned Executive with her in 2016. We became fast friends. She was always so positive, caring and sweet. I can't believe she's gone. My thoughts and prayers go out to her family. Hugs, Julie Bedell
