“*Rosa, today is November 15, 2022, you have been gone for 6 years now & today is your earth birthday which you would have been 72 years young. But you will remain 65 years young. We continue to love you & talk about you & your jokes & mannerisms-you are truly missed. Tell Dad, hello & please both of you keep watch over the family. With much love for both of you. Rita*
