“ *Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear
If tears could build a stairway,
And memories a lane,
I'd walk right up to Heaven
And bring you home again. --See y*

“ *Did God need another angel?
Or someone He knew that would care?
Someone who always thought of others
And when neededÂ…was always there.
Did God need another angel?
Or someone to be more helpful in Heaven above?
Even though you were treasured here on*
