

Rosanne James Helmick

November 5, 1956 - August 25, 2021

Rosanne James Helmick was born on November 05, 1956 at Laughlin Air Force Base in Del Rio Texas. She was the first of 5 children born to Wayman and Dominga James. Rosanne moved to San Antonio Texas as a teenager, but loved to visit family in Del Rio as often as she could.

On August 10, 1973 she married her one and only love Billy Carl Helmick. Together they had 3 children. Rosanne was a truly loving and devoted wife and mother, later a grandmother and even a great grandmother.

Rosanne was well known for her excellent penmanship and her awesome artistic and creative abilities. She had her way of infusing love and a little touch of magic into any occasion. She was a woman of faith and knew Jesus Christ to be her Lord and Savior. She had an appreciation for the little things and she would always stop to smell the flowers.

She was also known for being a collector of many things and her generosity knew no limits. She had an adventurous side, while she was an avid doll collector, she could also ride a Harley! She never failed to reach out to her elderly neighbors and she would not miss the chance to hold a new baby. She loved animals and flowers and had a relentlessly positive outlook.

Rosanne is survived by her husband of 48 years Billy Carl Helmick Sr. their children Billy Carl Helmick Jr. (wife Laura), Wayman Lynn "Sonny" Helmick (wife Saprina), Lindsey Renee Zamora (husband Vidal), her mother Dominga James, her siblings Beverly Jean James Black, Sheila Mae James Spears (fiance Ronnie Starr), Mitchell Wayne James, Shawnee Lynn James (fiance

Mike Arcineaga), 13 grandchildren, 3 great grandchildren, countless nieces and nephews, cousins and friends as well as her dogs Walter and Lucy. She leaves a legacy of faith, devotion, generosity and unconditional love. She touched the lives of many and will be missed immensely. Her loving memory is a treasure to her loved ones.

“ I will miss you cousin, we actually hung around together when she lived here In Del Rio. We were teenagers and had a great time. We always walked the streets of the San Felipe area and downtown. Sometimes to the park. We were young and full of life and so much laughter, Miss those days. I know when I called you , you couldn't talk to me due to that you were in the hospital with Covid. But you send me a text and your picture saying "I can't talk". But I thought you would be out soon. My prayers were with you cousin. Just like they still are. We'll miss you lots. Rest In Peace. “ The first time I saw Rosanne was nearly sixty five years ago when her mom and dad stopped by our farm south of Harlan, Iowa for a short visit on their way through the area. Rosanne was just a baby and her dad was so proud and wanted to show her off to his brother and family. I was twelve years old going on thirteen and I was so proud of my Uncle Wayman and happy for he and his young wife Minga. I was so shocked at her passing but believe the Good Lord needed her in Heaven and she is now there celebrating with her dad and family who have gone on before. One day we will meet up again. Oh, what a wonderful reunion that will be.

“*I am only a out-law to the JAMES Family, but I was so honored and blessed to have been able to meet and share a few wonderful days with Roseanne at the JAMES Family reunion in Nebraska. her Smile said it all, and she was never without it. ❤️ She hugged me, and we laughed as we both said it felt as if we were the cousins. I will never forget that. I am so happy that we kept in contact with each other, we talked about our love of gardening and shared pictures of our plants and flowers that we were able to grow in,our yards. There are just some people who I believe God puts in this world that are special and beautiful and are here for a reason, and I know that Roseanne was one of them❤� Rest in the arms of our lord Prima, 🌻🌻*
