“ *My deepest condolences to the family of Rosario Cardenas. What a lovely person, that will be missed. I met Mrs. Cardenas many years ago. She was a sweet person that would light up any room. Our conversations were short but long enough to always remember her. I wish peace and comfort to everyone grieving.*

“ *My dearest sister whom I loved dearly I will forever miss you. I have so many memories of you sitting and watching you in the sofa crochet whether it be blankets or making those beautiful quilts. I miss your phone calls just to let me know when your empanadas were ready to eat right out of the oven. You will forever be missed and so heartbroken that you will not be here for the holidays to share with your family. My heart aches so deeply and my thoughts and prayers are for your beloved daughter and husband. Love you always and forever your loving sister Lula*
