“ My deepest condolences to my niece Cathy, Andrew, Ronnie , Andrew, Jackie and Amaya. My beautiful sister was very proud of you all. She loved you whole heartily. My sister was very family oriented and always wanted her family close to her. When she spoke of you she would have this beautiful glow about her. My sister is truly loved by all her brothers and sisters. We miss you so much. I wish I had more time with you, but cancer took you too soon. Rest in peace my beautiful sister and let the perpetual light Shine upon you. Your loving sister, Tina and family

“ Cathy and Andrew: Rodrigo and I send our most sincere condolences on the passing of your mom, Rosary G. Michaels. My sister was a gentle soul. She did not loke to argue, she listened carefully and tried to put things into prospective. My sister was brave in her fight against cancer, dementia and other ailments. Rosary fought with all her might, so she could see her grand daughters grow up. She missed both of you so very much. When I would tell her that I was going to call you, so you could talk to her, she lite up with a big smile and would say "yes". She loved you both with all of her heart and now she is with Greg and Bobby. She will be missed tremendously. Mariana and Rodrigo Lozano
