“ *My aunt Rose was a very special and sweet woman. I remember staying with her in summers back in the 80s, and a great visit here to Virginia a few years ago. My mom always spoke highly of her, and loved her dearly. I know how much she loved and cared for her family, and she will be very missed by all whose lives she has touched. May God continue to bless your beautiful soul.*

“ *To the Family of Rose Linda (Echiveste) Copeland, my deepest condolences. I pray that the family will find comfort in knowing that she served loyally and faithfully. I'm a very good friend of Mrs. Copeland's daughter (Yvonne) and her husband (Salvador). Their son is a great kid and no doubt that his grandmother was a huge influence on him.*

“ I knew Rose because of my best friend, Yvonne. Some of my memories of Rose are of her and Lee at my family's Christmas party, our daughters/mothers casino trip, Groove's backyard graduation celebration, and talking to Rose at Yvonne's birthday shenanigans. Rose's spirit lives on in our memories and in the ways she impacted us. My condolences to the family and friends.

“ My sister was an ambitious woman. Always educating herself to get ahead. She went to college and gave it her best shot. She had several jobs and did well. She will be dearly missed. She is going to a better place.

“ Grandma, Rose Copeland, has passed away due to complications with cancer. She fought hard but in the end, it was her decision to leave when the pain was unbearable. She lived a life offering me snacks, love, and pants, and I was always grateful for those moments. She was an amazing wife to my grandpa and despite their shortcomings, they always found a compromise, their love for each other.

Rest in Peace Grandma.

“ *My wife is the strong willed, driven and loving person she is because of her parents. I want everyone to remember our Rose as the strong person she was. She was never afraid to speak her mind, we should all learn to be as brave. Rest in peace.*
