Rose was a kind, loving woman with a great sense of humor that often took others by surprise. She had a knack for remembering little things about people that made big differences in the quality of their lives. Rose put her faith and family before everything else in her life. They were the source of the light that shone from her eyes and emanated through her beautiful smile. They were the inspiration for many hours spent away from home and thousands of miles driven each year. Rose loved to travel whenever and wherever she had the chance, whether she was driving across Texas to visit her children and grandchildren, cruising with relatives to Alaska, seeing the sights of Europe or making a pilgrimage to the Holy Land. She supported education, especially Catholic education, and valued lifelong learning on a wide variety of topics. Rose fostered this love of learning in all of her children and grandchildren. She could bake Czech pastries that were tastier than any of those found in the best bakeries. She was an accomplished seamstress from an early age, having designed and sewn her own wedding gown at the age of 19, along with special occasion garments for family and friends throughout the rest of her life. Photography was another passion, and her grandchildren were among her favorite subjects. Her artistic talent extended into music as well. Rose was gifted with a beautiful soprano voice which she used for the Glory of God, and to the enjoyment of others. She was a devoted wife and mother, and was employed as a Park Ranger for the San Antonio Missions, followed by various clerical positions. Our beloved Mother/Grandmother/Sister/Friend left some big shoes to fill and will be greatly missed.
