Nieces & Nephews & their families George Villanueva II (Jennifer, Vincent, Devin), Robert Anthony Ayala (Cheyenne, Darren), Shelby Marie Ayala (Remi), Eleanor Lee and Gavin Aaron Avey.

Rose graduated from Luther Burbank HS in 1972 and earned a Bachelor of Arts degree from Our Lady of the Lake University in 1977. She went on to become a bilingual kindergarten teacher. Loving children, she also taught CCD classes and coached little league baseball.

Rose never had any children of her own, but being the oldest of seven, she was like a second mother to us. She was always there for us, whether it was helping financially to purchase our first cars or giving us rides to places. We all have fond memories of her piling us up in her car to take us to the drive-in. She even broke her arm taking us to the skating rink. She liked to go water skiing & horseback riding. She always had a smile for you that would light up

the room & melt your heart no matter what kind of day she was having. She was the best big sister that anyone could ask for and we were truly Blessed to have her in our lives for as long as we did! We Love You & we will Miss You Everyday!

“ *To the Martinez Family, so sorry for your loss. Rose was as beautiful and sweet as her name. I know that Rose was a teacher who had plan to dedicate herself to children and her community. As we see today viewer and viewer people are taking this profession. May you find peace as she lays to rest now. Virginia Saenz*

Virginia, thank you so much for recognizing Rose as a dedicated teacher for the few years she was able to teach. She really enjoyed being with and helping children. She is greatly missed, but we have our memories of the beautiful she was. We're glad she's with the ones she missed and loved, too. With great appreciation for your kindness, Teresa Singleton.
