“ *I wish I made it to Texas before fate struck. Thank you Gamez family for taking care of me and my marines in Okinawa. Your house was always a safe haven and we drank like there was no tomorrow. Even though we met in another country, blood was still thicker than water. You both have raised strong and smart children and your story will live on.*

“*RoseMarie and Aaron were our best friends while we were stationed at Ft. Carson, Colorado. They helped My son, my Mom, and I by being amazing friends while my husband was deployed. We shared nice memories together, especially when they would spend time with our Son. Watching them with him I knew they would make amazing parents. I never got to witness in person, but I did get to see through your posts what a beautiful family you created. Rest In Peace my friend.*

“ *She was so beautiful and she was my family from far away when I lived in Italy. When I got to Hawaii she reached out to make sure I was good and offered her family to help me settle in. This is how I’ll remember her. Funny. Bright. Infectious laughter and fiercely loved her family. I can’t believe she’s gone...*
