Rosemarie Jarzombek-Stout

December 14, 1937 – March 2, 2017

Born Rosemarie Cortines in San Antonio, Texas on December 14, 1937 to Albert F. Cortines and Louise Stefanagge. Teaching as Rosemarie Jarzombek, and later Rosemarie Stout.

Rosemarie, affectionately known to all as Pudgy, left this life and was called home to our Lord on March 2, 2017. She was preceded in death by her husbands Ray Jarzombek, and Harry Stout.

Her surviving siblings are A. A. (Buddy) Cortines, Lance Cortines and wife Lois Cortines. She has a number of cousins, in-laws and numerous nieces and nephews.

She is survived by her children and their families. Sons: Ray Anthony Jarzombek and Carlos F. Gonzalez; Randy Matthew Jarzombek and Gabino Estorga. Daughter: Terri Anita Stout and Todd Quick and grandsons Stephen and Marc Quick.

Rosemarie began teaching at age 17, at St. Gerard's catholic school, moving to St. Margret Mary's, St. Leo's, and St. Benedict's until moving to SAISD Bonham Elementary and finishing her career at Collins Garden.

Rosemarie retired from the classroom, but never stopped teaching. She chose

to be involved in the lives of her children and grandchildren. A mentor, guide and supporter of all their dreams and endeavors. She used her gift of humor to open doors and foster relationships with everyone young and old alike. Awake early, and asleep late, Rosemarie made the days of her life fulfilling. When her body was crippled, instead of a loss, she saw it as a chance for life. Every health challenge was just a hill to be over and down the other side. She pushed aside her pain for another day with those she loved. Although she is gone, she lived a life fulfilled. She will suffer no more the flesh, and will dance freely and laugh beautifully in the cradle of the Lord.

Rosemarie will be sorely missed by many, but never forgotten. She was God's enduring treasure to us all.

It was Rosemarie's sincere wish that we extend her thanks to staff at SAMMC, Kindred, UMC, Reeves, RIOSA, Park Lane rehab, and especially to her dedicated caregiver Melissa Scofield.
