“ *Oh my beloved Tia!!! I have so many precious memories of you that I could fill up hundreds of posts!*

You were a blessing to everyone... especially Nana! She misses you Sooooooooooooo Much! We all do!

I take comfort knowing that you are now pain free but please know that you are deeply loved and truly missed!

I will always be there to take care of Mom. Please Don't worry about her because I promise to make sure she has the BEST life possible!

... because I still can't bring myself to tell you Goodbye, I'll instead say "Goodnight".
