“ You have received a new hat, an illustrious shiny bright crown a reward for your love & belief in our Lord & Savior. Your presence on earth will be greatly missed but your memories will be in our hearts forever and I will treasure the 12 years of adventures we had in the Woman's Club, during Fiesta, birthday celebrations, nights on the town with the girls and our guys, dining and dancing. Until we are all joined in that most historical mansion in the sky, keep your angel wings hovering over us. Love, Tawana Timberlake
