“ Oh how I miss you, Grandpa. You meant the whole world to me, you were my happy place. I loved watching you tell your stories. You always made me laugh with your crazy sense of humor and funny jokes. I could hear you talk all day long, I adored you so much. Save a seat for me up there, you still owe me a card game. You spent your whole life trying to win the lotto, but truth is we all won the lottery by having you as a grandpa. You were truly the best and one of a kind. I love you, Grandpa.
