“ On behalf of the Memorial Minutemen Alumni Association we'd like to offer our sincere condolences to the family of Mrs. Bustamante. For many of us, Mrs. Bustamante was our Art teacher at Memorial High. She was our gateway in bringing to life our own talents and taught us to appreciate the never ending ways to express the beauty of art. We appreciate and will forever be grateful for her 32 years of dedication to Memorial High School and the Edgewood Independent School District.

“ *What a beautiful person! When Rosie got involved with a project, she provided a direction and an elegance to whatever it was. At the San Antonio Museum of Art, she not only did marvelous tours for children, Rosie added her artistic flare to the Docent gatherings, our parties and our trips. Her inventiveness combined with her love of children and of teaching embellished the museum's workshop program. And Rosie often did this at her own expense. And the same competence was exhibited when it came to running the RoadRunners club in San Antonio. Although Mike was the titular head, we all sensed the true power behind the throne. What a beautiful person! Thank you, Rosie.*
