“ We have fond memories of our Aunt Row Row as a wonderful cook and seamstress that loved us well. Our mother Joy Trull still today enjoys talking about how smart she was and that most of the time she knew what she was talking about. We are thankful for the blessing she was for our entire family. Love you, Mama Row! Shelly Trull and Carla Leech

“ I have many fond memories of Rowena. She was the maid of honor at my wedding many years ago. She was my sister-in-law and we had many good times together, either playing games or going on fishing trips together. May she rest in peace.
