Roy Nowel Hart

September 29, 1927 – May 22, 2017

Roy was born on September 29, 1927 in Smithville, Texas to Turner Burleson Hart and Sallie Spence Hart. After graduating from Smithville High School, he served in the Navy at the end of World War II and visited China. Roy worked for the railroad for a short period of time and then moved to San Antonio to begin working for National Cash Register, where he was employed for over 43 years. He was a hard worker who always acted with integrity.

Elva and Roy Hart married on October 23, 1954 and started their married life in San Antonio. They had two children, Pamela and David. Roy was a loving husband and father – coaching many baseball teams for David and watching Pam’s high-kick routines at Churchill High School football games.

After he retired, Roy and Elva enjoyed traveling together and visiting their children and grandchildren. He was always available when asked to care for his grandchildren, and his influence is evident in their lives as adults today.

Roy and Elva moved to Houston in 2013. Elva died shortly after the move, and Roy stayed near his children in an assisted living community. He was a devoted husband to Elva as she dealt with Alzheimer’s, and a steadfast example to his children and grandchildren of how a husband should love his wife with a Christ-like love.

Roy gave his life to Jesus Christ as a young person and was a faithful

member of Dellview Baptist Church. He volunteered as a money counter for several years and could often be found using his talent of fixing things to help keep the church in good repair.

Roy is now finally home with the Lord and suffering no more. He fought a brave battle against several types of cancer but his body could not fight any longer. We will always miss the brother, husband, father, grandfather and uncle that he was and look forward to seeing him again one day.

“ Pam, Roy, David, Kathi and families, We are so sad at the passing of this dear sweet man. He fought a good fight and he may have lost the battle but he won victory in Jesus! We know where he is and that he is rejoicing with the Lord and his Elva, and all of his loved one that went before him. Roy was a great brother-in-law to us and we will always cherish all of the great memories we made over the years! Roy was not only a gentleman but he was a gentle man and he will be greatly missed by all of our family. It is said that when a loved one passes that all of your precious memories become the greatest of treasures - we have found this to be so very true!! We loved him, we will miss him and we will never forget him.
