“ Roy,
You were my best friend and we spent a lot of time together. We shared many adventures and I learned a lot from you. I think of you often and miss you. Over the years I find myself asking " What would Roy boy say "? Thank you for being part of my life and it was an honor to be part of yours. I know and pray you are with all those you love that have parted this world. I'll see you some place in the future but please stay in touch.
Your eternal friend,
Charlie Wood

“ I was a good friend of Roy's in junior high and high school but unfortunately hadn't seen him in many years. He had such a dry wit and was a very funny guy. It is always very sad to lose someone of our generation prematurely.

My condolences go out
