“ *I am sorry for your loss. Roy Lynn was such a good man. Growing up he was my favorite boy cousin. He was always kind to me. I know he was loved by his family. My mother Mary June was Althea's older sister.*

“ *I will miss our long phone calls and all the advice you loved to give me when it came to struggles I was having with Christopher. We both know he's a great kid, but hardheaded like all of the Rhew's. I'm also going to miss letting you know what's going on with the remodel of my home, I know that's one thing you really enjoyed talking with me about. And I'm sad that I won't get to drive to San Antonio to pick you up for our Housewarming Party... I just know you were looking forward to another fast drive with me in my car. Only this time you would have had to sit in the front seat, not the back like you did when I picked you up for dad's funeral. We have so many great memories, Uncle Roy, from my birth to your death, that will never be forgotten. Until we meet again, I love you. Tell grandma and grandpa their sugar girl loves them and give them a kiss for me, too.*

*Love always,
Sissy aka Gytisha Rhew Strickland*
