“ I have so many wonderful memories of Uncle Rick. He was my Mom's younger brother. From child hood on, I would think of him as a funny, witty, smart, loving man. As he aged and I did as well, It was so important to at least get with him and Aunt Jean on his birthday. We always had wonderful memories to talk about. He will be missed by many. I love you Uncle Rick and look forward to seeing you down the road. Barbara Ann.
