“ I remember when I was a little girl and Roy & Janet were babysitting me, Roy taught me how to make bullets!

Rest in peace Uncle Roy. Say hello to Nana & Rob for me. Let Rob know I'm so sorry I wasn't there for his funeral. Thanks for all the stories & I'll sure miss watching you and my dad try to out-story each other at Christmas each year. Now he doesn't have anyone to stop him from talking!

“ I had the pleasure of knowing and calling Roy a friend for over thirty years, we worked together at Kelly AFB where I first met him, I did not know how to take him at first but as time went by we got to know each other and built our friendship. We enjoyed hunting and fishing trips in Colorado with Roy and his wife and son and built memories that will last forever. May God take care of his family and comfort them in this time of sorrow.
