“ I remember when Sally and I had our first baby ,Apollonia... Uncle Ruben was one of the first people to see my daughter. I also Remember Uncle Reuben and Uncle Claude many times over helping my mother to and from her doctor visits and treatments when she was in it going chemo... And as I had mentioned to Tim how you had several breakfast early lunches with Uncle Ruben these last couple of years while my daughter Apple was at Stevens attending art competitions... He gave me words of comfort and good godly counsel... Apple Anastasia and I enjoyed him when he came over to visit Sally and I enjoyed visiting us at our home he thought it was very romantic... I remember him I will always remember him with a good qualities that he displayed to me... I know he's with all the ones that we love in heaven and in the end everything will be okay for all of us.
