“ Not only were you my big brother but my best friend, I'm gonna miss you so much, if I could turn back time I would tell you that I love you and that you are truly gonna be missed here. I know that you are pain/sick free now and dancing away, please watch over all of your family until we meet again. Love your sister

“ One of my best friends, he took me under his wing when we both started at the convention center. He was like my crazy older brother.

“ *Thank you for being a great big brother. It was an honor to be your sister in law...I know you are with Dad right now watching over everyone. Please watch over my Ruben (Feo). I know you will be deeply missed. Glad we got to speak with each other recently... hearts are broken but knowing you are not in pain anymore brings a lot of peace. 🙏*
