“ I am a grandson who was at both the funeral and the memorial service. At the memorial they had a session in which people came up and told stories or memories. I was too emotional to do it but I wanted to share a poem now that I wrote.

“ Sorry to hear about Ruben, I knew Ruben back in 1980 when him and my mother were living together. Ruben was a very interesting person. He taught me how to make S.O.S, and I still make it the way he showed me how. Ruben use to make the best Butter Nut cake

“ So sorry to hear of your loss. I didn't know Ruben, except through tales my father often told. I am the daughter of Howard & Mary Margaret Johnson Fayette, both deceased 2002. I could tell Dad thought a lot of Ruben and never forgot him through the years.

“ *Nancy & Family:*

Please know that we are both thinking of you and your family during this time. I know this is a very difficult time for you and the family, but you should always remember that there is a bigger plan that we cannot always understand. Yo
