“ *Uncle Ben you will be tremendously missed. Thank you for always being there when I needed you. I'll never forget when you played Janet Jackson for me when you drove me to my job interview. It meant the world to me. But that's the type of uncle you were. Always doing little gestures that meant so much and made a huge impact. It would also make me happy when you would always ask me to make you atole because you only liked mine. Thank you for always having my back. I will miss you so much! There are so many memories to share that will remain in my memory and forever in my heart. Keep watching over your Honey Bee. Rest peacefully and I'll see you on the other side!*

“ *He was a quiet guy unless you knew him then he could talk and talk. He was protective and a great father to his Honey Bee. Glad for the times we had that will last a lifetime of memories. Gone unexpectedly. You are loved and missed by many. Love your big sis, Letty <3*
