“ My condolences to Virginia and the rest of the family. Ruben was a good friend; he always made time to sit and spend some time with Casimiro and I when we would eat at his restaurant. He had a big heart, and always took time to sit with us. We always left with a full stomach and a smile in our face because of the conversations we had with him. We were sorry to see the restaurant close, but were happy he and Virginia were going to take time to rest and enjoy life. RIP Ruben. I know GOD welcomed you with open arms.
