“ *Brother Ruben is one of the most humble people Molly and I have ever met, even though he had a lot to brag about. He was full of love and compassion for all. We are greatly honored to have known him and for him to have called us his Pastors. Ruben, you are greatly missed, but we know you found your special place at the table of the King of kings. We look forward to seeing you again soon. Love, James and Molly*

“ Out of 9 syblings in our family, Ruben was #2 and I was the middle Child. Four older sisters & brother (Gussie, Ruben, Fern & Esther and then Me, Ruth/Ruthie. After that came my 4 younger Brothers, Jimmy, Jacob, Jon and JR. Evaristo. Our 3 sisters all got married first. RUBEN & I, RUTH, didn't get married until we were 25. Ruben served our country in the Army, before he got married. I was bull headed and didn't get married until I graduated from Wayland Baptist University and taught a year. So Ruben, Ruth & our 4 younger brothers were really close. I came to San Antonio for the Music Convention for 26 years. Ruben & Virginia would always pick my Band Director Friends and I at the Air Port. Sometimes, they would take us to Mc Creeless Mall and feed us before they would tale us to our Hotels. For several years, I would stay with them, even though I had to squeeze in with Liz, Max, Ben & Jonathan! So I got to spend some quality time with my nephews & neice. Those are SWEET, PRECIOUS MEMORIES to me. I feel like I have a wonderful connection with Ruben's family. I came to the music conventions in February & in July. In July, I wound get a convention tag for my nephew, Jonathan Torres & my son, Jonathan Fulton, my son. They would have a GRAND time & would gorge on the candy & anything edible the company's had for the Music Teachers & their families. All of this happened because Ruben & Virginia were my Super Family that happened to live in San Antonio. The year that it snowed in San Antonio during the Music Convention. All the downtown Restaurants closed. Their workers couldn't drive in the snow. RUBEN & VIRGINIA drove people to a restaurant at the edge of town. They shuffled people all night. Take one group & bring one back. Ruben was in Germany in the army and he knew how to drive in the snow. My HEAD IS FULL OF MEMORIES OF WONDERFUL THINGS THAT RUBEN & VIRGINIA HAVE DONE FOR ME. And it's not only Ruben & Virginia, all his children continue to follow their example. Liz, Max, Ben & Jonathan have all included their Aunt Ruth in a lot of activities. Liz & Brent took me to see Texas at Palo Duro Canyon. Jonathan's family shared their Daughter, Tami, when she attended Texas Tech, Aunt Ruth's Alma Mater. Ben & Max have also contributed a lot. Precious Memories! Love all

of ya'!!!!
