“*Ruben and Melissa are our good friends, we went to visit and decided to go to water tubing. Ruben and Alfonso wanted to ride the waves so they tied our chairs down in the water to rocks so we would be safe in the rapids as they went tubing passing us by every now and then... so they had their fun time and we talked and enjoyed watching them be boys. My husband says that Ruben had a big heart, a kind good man loving his wife, and a great friend. I will miss him and his friendship. RIP my friend until we meet again one day. 🙏*
