Ruby Lillie Schweers Sebera

Ruby Lillie Schweers Sebera was born on July 8, 1914 in Mason, Texas, and passed away on June 19, 2012 in San Antonio. In between was a love story between her and the lives of many relatives and friends who were blessed to know her.

Her parents, both of whom were of German decent, met at a Methodist prayer camp meeting in Art, Texas. They had 5 girls and 2 boys, all of whom preceded Ruby's death. The siblings were Pearl, Elsie, Wesley, Minnie, Roy, and Myrtle. She is survived by 2 sisters-in-law, Elnora and Florene and many nieces and nephews.

Ruby met her husband, S. J. 'Happy' Sebera on a blind date in the 'rumble seat' of a Model A Ford. Their marriage produced two sons, Curtis Wayne and Travis Gene. During this loving marriage of nearly 50 years, Ruby and Happy founded Tri-Way Printers and Mailers, a well known and respected business, which provided employment for hundreds of families.

Ruby was always active in her sons' schools, serving as homeroom mother, and band and football team booster clubs member. She also volunteered in

the Methodist Thrift store for 26 years, many hours at the Easter Seal Society, and her beloved St. Marks Methodist Church. She is recognized as a Life Member of the Blue Birds Auxiliary of the Methodist Hospital.

Her family was most important to her. Holiday 'get togethers' are remembered with fondness and a smile as the many gastric extravaganzas were eaten with gusto. The annual Schweers reunion held in Quihi, Texas, was a must attend event for the past 79 years. Her pecan pralines and her sand tarts were legendary.

The loves of her life include her 3 grandchildren Juli husband Dave, Glen, and Carey, and her 2 great-grandchildren Jake and Cassidy. Ruby is also survived by Wayne's wife, Andrea, and Travis's wife, Leigh. She was such a role model for a loving mother that she maintained active relationships with her ex-daughters-in-law, Donna and Peggy.

Special thanks to Richard, Linda, and Katie, her neighbors and de-facto family, who provided Ruby with companionship, jokes, practical help around the house and deep admiration.

The family wishes to thank the many people who cared for and nurtured Ruby. Particularly Dr Chris Arnold, M.D. whose gentle, competent touch kept her quality of life high, and Monica, her R.N. She was also well nurtured by her home health care angels. Maggie came to Ruby to help with the house work, and stayed on as a loving example of Ruby's ability to attract and give love. Ingrid from Caring Companions provided daily support and care. And of course, thanks to Hospice Inspiris who helped Ruby during her last earthly days.

Funeral services will be held Saturday, June 23 at 11:00 a.m. at St. Mark's Methodist Church, 1902 Vance Jackson, followed by burial at San Fernando
