“ Rudy Barrera was a rare person who represented the finest qualities in humanity: honesty, integrity, decency, humility, perseverance, and love! His bravery for our Nation/our World during World War II, his amazing marriage to his only bride and his raising of two sons was a testament to a 'Life Well Lived'. For those of us who were fortunate enough to know him, and see first-hand his gentle soul yet tough intestinal fortitude is why our World is less whole with Rudy's passing. He provided us more than nine decades of memories and friendship, and taught us all how to be a better person. These are lessons we can now continue to use as we fill a portion of the void we now feel. Rest peacefully and thank you again for your service to our Nation, your example to our Society, and for being a great Person we can celebrate for the goodness you brought to our collective lives. Thank you, sir!

In Loving Memory,

Troy, Scott, and Robert

“ Our thoughts & prayers are with all the family. Uncle Rudy was always a sweet kind man and I will always remember his smile. Very quiet man, soft spoken, and always nice to me and my brother and sisters. My dad, (Sonny) loved all his brothers & sisters and talked highly of all of them. May God Bless you and the family always.

Sincerely,
