

## Rudy F. Rodriguez

March 6, 1965 - July 3, 2021

Rudy F. Rodriguez, a loving and devoted husband, a proud father, a shining son, a loyal brother, an admired uncle, a professional musician, and a caring pastor, has confidently accepted his next calling...to be with the Lord in heaven.

Rudy began his journey on March 6, 1965, in San Antonio, Texas. He was the second son of Juan Manuel and Maria Rosario Rodriguez. Rudy was certainly surrounded by love growing up with four brothers and two sisters.

Rudy was introduced to a new love in his life at the age of 11, the love of music. It was a relationship that would solidify the plan of God for his life and set him on a divine course only God could design. One can only imagine the spiritual transactions that happened in the moment Rudy first picked up the saxophone. It was a moment that would eventually lead to a spiritual reverberation felt across Latin America.

When Rudy was 22, the Lord crossed his path with the love of his life, Patsy. The two fell deeply in love and their journey accelerated both in ministry and family. In their 32 years of marriage, together they raised Jacob, Benjamin, and Sarah Grace.

Rudy began full time ministry as a band member of the Marcos Witt Ministry. It

was in this season the Lord blessed Rudy with the mass attention only the purest of hearts can walk through gracefully. In 2003, Rudy answered the next calling for his life, Pastor. Together with his family, Rudy birthed Freedom Life Center in San Antonio, TX. Eager to extend his reach, Rudy continued his pastoral calling and began working at Guiding Light Hospice as Chaplain.

Rudy received his promotion on July 3, 2021, at the age of 56.

He is also preceded in death by his father and brothers, Noel and Jacob Rodriguez. He is survived by his wife, Patsy Lopez Rodriguez; their children, Jacob A. Rodriguez, Benjamin D. Rodriguez, and Sarah Grace Rodriguez; his loving mom, Maria Rosario Rodriguez, siblings John Rodriguez (Evie), Sheila Rodriguez (Noel), Ruth Ortiz (Juan, Jr.), Ruben Rodriguez and Anna Prieto (Gustavo); other loving family members and friends.

Rudy lived his life with integrity and with grace. He stood masterfully in his gift and walked confidently in his purpose. He valued his anointing; knowing when to guard it and when to share it. In all things, he concerned himself with the details. And it is in those details, that cause us to remember, the greatness of his life forever.
