“ My condolences to the family of Rufina G. Almendarez. I am sure you have many cherished memories of her long life to share. I encourage you to share them and keep in prayer to the God of all comfort and he will give you the strength and comfort you need. Also, please don't hesitate to ask for relief of any kind from family and friends. They are grieving also. Proverbs 17:17 states: “A true friend shows love at all times, and is a brother who is born for times of distress “. We were not meant to grieve alone. May prayer, friendship and love help you thru this difficult time.
