*I love you Russell. From the first time I saw you, I had my eye on you. You were so cute sitting there in your sweat suit. I sat closer to you and we started talking. I remember you were new to the city, so I took you on a tour of this beautiful city and we went to one of my favorite places, the Sunken Gardens at Brackenridge Park. That was where we shared our first kiss. The next 3 years before we got married and the 15 years of marriage were so much fun, because we shared a wonderful life together. I know you are with the Lord in Heaven, you served him well in this life. I will miss you. And before long I will be in Heaven praising God with you and our other loved ones who have gone before us. I pray God's peace on all that happen to read this post. Don't you cry, he is in the best place of all. He is with Almighty God! --Carole Howard*
