A 1956 graduate from Thomas Jefferson High School, Russ was active in ROTC. He loved attending high school reunions and reconnecting with school friends and colleagues. He earned his BBA from St. Mary’s University and worked for Fannie Mae, Gill Savings, MetLife, and GMAC Real Estate. In retirement, Russ and Liz managed rental properties for many years. Russ was always one to lend a helping hand and had a soft spot in his heart to mentor those in need.

An avid fisherman, adequate golfer, excellent bowler, enthusiastic Spurs and Astros fan, and lovingly devoted husband of 42 years, Russ loved family gatherings and telling stories with a mirthful and dramatic flair. He was cherished by his family and he will be missed.
