“ Ruth,

I will always be grateful and thankful God put you in my life when he did. Although at the time I was only a toddler, you opened your home to me and my Tia who took on the responsibility of raising me. You helped put a roof over my head and food in my belly. I wish I could have found a way to repay you for your kindness, love and hospitality. All I can do is be as caring and loving for those that come into my life as you were to not only me, but many others. One of my last memories of you was seeing you smile with joy as I boarded the bus for Gabriel's wedding. You had a smile that could light up the entire room. You will be missed and I can't thank you enough for being such a wonderful woman.

“ My Tia Ruth! How I love her, she My big sister growing up. She would look after me when My grandparents n uncles and her would go to the “ Trabajos”. She would make fun of me growing up. Because it seem that as soon as she would bring the camera out I’d be there.

When she would talk to the boys I would tell on her! So her n the cousins would bribe me with candies! Oh such good memories of her cooking, she was a great Cook! Oh Tia wish I had gone to see you one last Time! I love you n Will keep My memories of you in My heart. Love you ,

Your brattie sister/ niece
