“ *Ruth was a resident at our nursing facility. I came to know her when she arrived 7 mos ago. She and Felix became my adopted “grandparents”. That’s what I called them. She was such a beautiful joy to be around. I loved her stories she used to share. I will miss her greatly but I know she is happy with our Lord and we have all gained a beautiful guardian angel. I am so happy to have known her even for a short while.*
