“ *This is Rosa Gonzales Rios. I am so sorry for your loss. Your mother was an icon in the neighborhood. I had the pleasure to chat with her several times while working to remodel the house next door to hers on Buffalo. She took care of her garden in front and would come out to greet me. I wished I had that greenery and flowers blooming in my yard.*

*One time my electrical fuse blew and I wanted to continue to work, so I went next door to your mom's house and asked her if I could use her electricity. She said "yes". When I finished I tried giving her money. she didn't want to take it, but I insisted. She smiled and said " well, I will buy me a good hamburger. I can't say no to that." I was so appreciative and took pleasure she was going to enjoy the burger.*

*I will always cherish good memories of your sweet mom.*

*God Bless Her!*

“ *My Tia Cuca was like a mother to our family after our own mother passed when we were kids. I will always remember her beautiful smile, her spunkiness, and the way she made us laugh with her stories. She was the best cook ever and always wanted to feed everyone who came over. She watched over my dad and her brothers and always had her door open for whomever showed up at her house. She will be missed terribly but comforting to know she is with family and the lord. Until we meet one day. Love you Tia!*
