“ *My memories of Ruth are of a deeply caring, faithful Christian, and loving woman. Just making eye contact immediately initiated a beautiful response of greeting, hugs, and a kiss on the cheek. She would recall cherished memories of our friendship. It was wonderful to be called "jovencita".*

I am sorry you are that attending her funeral will not be possible for me due to the time. I am grateful for the kindness and love shown to her in these last few years by the family. May God give you peace and comfort.
