“ My baby cousin... I have so many memories with you but the one I'll remember the most is taking you to natural bridge cavern and having the zebra put his face in the car and laughing so hard from me being scared. Your love for animals was huge and along with your heart. I'm sorry baby boy and know that so many people are missing you.

“ Ryan was so devoted to his daughter. Loving her, playing with her, feeding her and just being a great Father. Too young to lose him but God needed him more. Prayers for his family and friends. Great Aunt Happy Amador.
