

Ryan Ross White

September 19, 1972 - October 29, 2019

Our beloved, Ryan Ross White, went to be with the Lord suddenly, on Tuesday, October 29, 2019, at the age of 47, in San Antonio TX. He was born on September 19, 1972 in Houston, TX. Ryan came to San Antonio when his mother married her high school sweetheart in 1974. Ryan was blessed with love from both his Houston and San Antonio families.

Ryan was a 1991 graduate of John Marshall High School in San Antonio, TX. Upon graduating, he served his country in the US Navy. After the Navy, he pursued a career as an electrician.

His hobbies included: skateboarding, snowboarding, snow & water skiing, kayaking and barbecuing. He loved cooking and trying different varieties of food. Ryan was also a clever storyteller and had many to tell! He also enjoyed traveling to the TX Hill Country and to Port Aransas, TX.

His favorite holiday was Halloween. Ryan had a long list of nicknames given to him by his family and friends. They are:

Cupcake (name given to him by his preschool teacher, Wilma Hyatt) Dog boy, Buckshot, Ry Dog, and Apoy (which his young nephew, Cody, named him because Apoy is what he called a skateboard !)

Ryan's sweet and kind personality touched everyone in his life and everyone with whom he came in contact. Ryan lived hard and was loved by many. Ryan had a loyal heart as big as Texas and he grasped love and fun with both hands. He had a unique ability to simply accept people where they were in life and made everyone feel important, loved and protected. His friends and family

are forever grateful to have shared life with him. He will remain forever in our hearts.

Ryan was preceded in death by his father, William White, his Aunt DeValca White and Ryan's fraternal grandparents as well as his maternal grandparents.

He is survived by his loving parents, Rodney and Mary Huff of Helotes, TX., his

stepmother, Bobbie White, of Houston, TX., his uncle, Reagan Tucker, of San Antonio, TX., his brother, Chad Huff and wife DeAnna and their children:

Ryland, Harlee and Sterling of Helotes, TX, and his sister, Heather and husband Brian Boyle and their children: Macey, Presley, Scarlet and Rhett Boyle of Houston, TX., along with numerous aunts, uncles and cousins.

“ Ryan, has been a friend for over twenty years. I can not think of a time he was ever anything but kind to me. In fact as crazy as he was he was telling me to tame my crazy at one point. I felt he truly cared and accepted me wholeheartedly with no judgement. Ran into him a few months back after not seeing him for years. And he was just as fun and crazy. We talked about how our lives had changed and we made it out alive. I will truly miss his energy and wish we had more time with him on this earth.

“ He was always up for something but napped wherever he could.
From my bedroom floor to the bank of the Mississippi.

Words can't express how much fun we had and how comfortable we were around each other. My deepest condolences to all of his family.

“ He is someone that is impossible to forget if you were ever lucky enough to have met him. He loved dogs. In this photo, him and I were volunteering for Alamo Pitbull.

“ Ryan was one of Roger's nicest friends. He has many fond memories of the many years he's known him. I met him a few times and he was always smiling. From Atheena & Roger Gonzales (aka by Ryan as Rockin Rog). We are very sad he is gone.

Ryan and I worked together at Handy Andy grocery store in Helotes Tx when we were 15. Ryann went to Marshal hs and I went to Taft but we shared the same circle of friends from both. we had a lot of fun at work especially in the beer cooler 🍺. in those days ryan was not a fan of cigarettes and always gave me a hard time about smoking always reminding me how much longer I would last in the mosh pit at punk rock shows..on Ryan's birthday last month we talked about how it's a miracle we are still alive . The universe unfolds as it should I suppose. Love you Rydog my brother from another mother❤️

Halloween was his favorite time of year. I'm sure one of the reasons we ended up in New Orleans that year!
