“ All my best memories keep going back to camp outs at Canyon Lake or Brac during Easter, to thanksgiving when the women stayed up all night creating a beautiful dinner for us all. Laughter, singing and dancing on the weekends. To playing monopoly while they drank coffee until the early mornings and lol churches chicken. Watching horror movies while our parents talked ghost stories. The endless hugs and kisses. The unconditional love I felt wishing in my heart for those times to never end. Thank you with all my heart and soul for all the wonderful memories. Thank you for helping us understand how important is is to always remain close to family. You are truely a Lady of great integrity, class and respect. I love you Tia. Give everyone a great big hug for us and we will all have those times again one day.
