“ My condolences to the Garza family. Mr Salvador Garza touched many people with his love, understanding, and involvement with his church, St Clare. He was a great guy!  
I learned a lot from him, also he was the best fisherman I knew. I always enjoyed being around Mr Garza whether at the Church festival, barbecue, watching a game, or celebrating birthday's. I will miss Mr Garza, and am proud as his family and friends are of the legacy which he left us all.

“ Daddy, as I get ready to see you one last time I know you will never be that far. Forgive me for being selfish in wanting you to be here with me. I know God has called you as he needed an angel to help with a mighty task. So every time I think I hear your voice or see you I know it is a wink from you that you are not that far. I will always hold you dear in my heart until we meet again daddy save a place for me. I love you to the moon and back as you are out at sea, so rest my father and be at peace.

Mr. Garza. You were a blessing to many in the neighborhood. Me being one of them. You kept us off the streets by getting us involved with CYO. You made sure we respected each other and made our parents proud. Thank you for all you did for us. May you Rest In Peace and know I will always be thankful for your guidance.
