“ *Sal was great Man with a good sense of humor. My brother Andrew and I always had a great time being around Sal. We always exchange business ideas and spoke about what it took to be self employed while drinking a few beers of course. He will not be forgotten, the good hard working family man that he was . May God have you in his Kingdom with eternal life. I will miss you Cousin Sal. Rest in Peace Primo.*

“ *Ellie and Sal, we first met on 5/5/2017 when we were registering for the Southside Lions Senior Center. My mornings were always brighter when you greeted me with a smile in the cafeteria of the Senior Center. Sal may you Rest In Peace. Your advice to drink alkaline water has made a huge difference in my everyday life. I've thought of you each and every time I stop at the H2O store. You and Ellie made a Big Difference in my life, Friends forever!!!*
