“ *Our dear Jane, Joanna, Daniel & families. Robert & I(Ruth) grieve with you at the death of your dear husband, father, grandfather, Tom. One is never prepared for these partings. Please know you are being held before our living God with love and prayer. I remember first meeting Tom in your home in Three Hills, Alberta, Canada. A tall, distinguished man, with you, Jane, his lovely wife, by his side. I had the privilege of lending a hand in your home for about a year (around '72-'73) during studies at Prairie College. Tom's love & care for you, Jane, and Joanna & Daniel was so tangible. He was a man of integrity, living his life with strength of character and stability. He set people at ease with his graciousness. Dogs were a big part of his life then too! He was known in the town for his excellence as a tree surgeon. I & my husband count it a privilege to have been influenced by Tom. May you, Jane, Joanna, Daniel and your families be strengthened in mind & heart as you process Tom's death. May John 11:25 bring comfort, hope, and anticipation of reunion. "Jesus said...I am the resurrection & the life. The one who believes in me will live, even though they die." With our love, Ruth & Robert Erion*

“ My husband, Daryl and I met Jane and Tom on our first winter visit to new Braunfels Texas where we stayed at Hill country resorts. We immediately became good friends. Tom and Daryl would go golfing. Jane and I would do whatever we wanted but loved our morning coffee times and walks with The dogs around the resort and short trips here and there we stayed with them one winter and remember fondly the wonderful spaghetti but Tom made his special sauce for I would ask for it frequently. We had so many good times with them and each other we will miss those times, but share the beautiful memories. God will continue to bless us wit. Our hearts go out to the entire family. God bless you all loves and hugs, Daryl and Penny. And will never forget our wonderful breakfast at the buttermilk Café in new Braunfels so much fun so many good times and the dances at Gruene Hall.

“ Tom was a great friend, mentor, and neighbor. He helped our family with those amazing hands of his, his soft voice, his wonderful spaghetti meals, driveway bonfires, and sense of humor we got to enjoy for many years. There is so much more too.

Margo and I are so fortunate to have been able to see Tom, in San Antonio this past April, and to talk with him, Jane and Dan about his life. Our family loved you Tom! Here's a "Holy Crow" from us to you our friend.

God Bless you!
