“ *I am going to miss you dearly, Samantha. You made our memories so amazing and funny. We had so much in common and you understood me when no one else would. You always told me “be happy, beautiful “ .. You always made sure I was okay. You were the light. You were the laugh and happiness. You never let there be a dull moment. I am blessed to call you my friend and even as you called me your sister. It was such a blessing to have you in mine and my kids life. My heart hurts that you’re gone, but I know one day we will see each other again. I’ll see you soon and I love you so much, Sam! 🍷🌻*
