“ I am so thankful that I was able to have Samantha in my class. Her smile is something I will never forget! Her hugs warmed my heart and I looked forward to them daily. I am so sorry for the families loss but I take comfort in knowing she gets to give one of her sweet hugs to her daddy.

“ *What a special little girl! I remember her with a beautiful smile that would light up the room. She always came to school happy in the morning and greeted everyone on her way to class. She was always loving and caring to those around her. She will be missed, but during her short time on earth she touched so many people and has a special place in their hearts. Samantha was always a proud little Bulldog since her first day in Kindergarten.*

*My prayers are with her mom and siblings as I know Samantha was her world!*

*Lots of prayers!*

“ I want to send my condolences and prayers to Samatha’s family. Samantha was with me for reading, language arts and social studies in first grade. What I will always remember and cherish was her bright happy spirit. She was always smiling. She was kind to others and a good friend. Her brief time spent here will be celebrated when others are kind, when others brighten someone’s day. I will keep the gift of Samatha’s smile alive in my heart. She will be missed.

There are no words that can explain the sorrow and pain we feel for the loss of your daughter. Samantha will be greatly missed. Samantha would always light up her Kindergarten classroom at Fernandez Elementary with her smile. Samantha was so sweet, funny, and kind. She is a beautiful star, a star that will always be in our hearts and our memories forever. The love and joy that Samantha brought to us will never be forgotten. Your little girl will forever be in our hearts, her memory everlasting in those who knew her. We will cherish the memories of the times we spent together. “ Our lives will never be the same. Weekends without you here won't ever be the same. You're everywhere we look. We see you hiding under Trisha's bed with all your mess! You're thrown in the floor of the boys room watching movies, and locked in my bathroom soaking in the garden tub. We see you asleep in the the guestroom... all your little led candles are still there because your Uncle Mark couldn't find you a night light, and we see you thrown on the sofa downstairs on your phone. Mostly I picture you playing in the back yard with Gionni while your Uncle Mark bbq'd, or splashing in the kiddie pool with him just to keep him entertained. Who would've thought that months later that picture in the backyard would be on your obituary. 😭 Most of all, we see you on Giannis Simba. He wouldn't ride it without you. Until he does, no one else will. We keep it put away whenever anyone is around, because that was yours and Gionni's thing. He hasn't touched since the last time you were here. We'll miss you so much. Still can't believe you're really gone. But we'll keep seeing you... in everything we do. I Love you Sam!
