May his soul never stop burning in HELL, and may his mother never stop weeping. Sammie was a coward. So was his gay lover.

“ *Very sad. Sammie had a huge cross on his left arm and a playboy tattoo on the left neck. The Bible says “choose today whom you will serve”. Sammy and his friend chose lacking respect for life (what the streets do) and almost had that young lady killed too.*

Let this be a lesson. The streets are not where the battle with cops needs to happen. Cops are there to enforce the law, the judge and jury decides outcome so fighting with the cop is stupid. This was absolutely preventable, like so many before.

“ Jesus said to her, “I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and everyone who lives and believes in me shall never die. Do you believe this?” John 11: 25-26

This verse in the Bible is telling us whether we live or die on this earth, as long as we believe in Him, we will always live with our Lord Jesus Christ and He will always live within us.

Sammie I believe with all my heart and soul you are now living with our good Lord in a beautiful Heaven. Although I wish so much that things had been different for you , I know your with the almighty Father and that brings comfort. You have so many people who love you, you knew you, and who you were important too. I pray that right know your looking down on all of them and smiling because you feel all their love.

My condolences too Sammie's family and children. May God comfort all of you during this time and give you some peace. My prayers are with you all.

This is why the false gospel is dangerous. Start telling people to repent for their sins. “But cowards, unbelievers, the corrupt, murderers, the immoral, those who practice witchcraft, idol worshipers, and all liars— their fate is in the fiery lake of burning sulfur”

Yep he was playing hide and seek with a weapon and tried to murder a cop in COL blood because he was a criminal. Too bad he made it this long in life. Many people are very happy he is gone, I am one of them.

Great job OFFICER - Keep up the GREAT work!

But he did get what he deserved!

Hang out with better people, work on improving your life without crime.

“ I can't believe your gone!! Every time I see you, I see you smiling. I see your goodness and your honor. Many of the same good qualities of your dad and your granddad. You are so much like your dad it's unreal! From your attitude to your compassion.

You see, your dad has been my best friend since I was a kid...living across the street from each other, i'd be at his house everyday. Your family became my family too...way back then. Your parents, your grandparents, your brothers and sisters, your aunts and uncles, your nieces and nephews, your children... YOU are ALL MY FAMILY, TOO. My entire life has always involved your family. Mi Famlia, for life.

So with the heaviest heart, I must say to you ... "Bye for now, lil' Sammie...I love you man!! I will think of you and miss you every single day. You left here too soon so I didn't get a chance to say goodbye and remind you of my love for you... but it's time for you to rest in the hands of God. See you when I see you."
