“ Our mom was so generous on everything. Mom was a very strong hearted lady. Her heart was as big as gold. She would always be there to help out our family or anyone else. She went beyond more times then what a mom should do. She always made everyone laugh and smile. She would always go out of her way to make sure folks had food & anything else. We were so lucky to have you in our life’s mom. I cried endlessly when you died but I promise, I won’t let the tears mar the smiles that you’ve given me when you were alive. Your memories will always keep me smiling. I know you are listening from above. There is nothing that I value more than your love. No matter where I am or what I’m doing, your memories will always keep me smiling. I will always remember how fortunate I was to have you in my life. I wouldn’t ever trade those moments for the world. Mom, you left us beautiful memories. Mom your love is still my guide, although i cannot see you, you will always be at my side. Mom you were an Angel on earth and now Heaven has gotten them a beautiful Angel. I miss & love you so much. Always remember you will be miss but Never Ever Forgotten.

“ What a fun and loving women. We will never forget her. She left a lasting impression on Marisa and I at Randy and Shawns wedding. I got a box of red bandannas cause I loaned her mine. It's an inside joke for those who know. So joy will come to my heart each time I see and use a Red bandanna. She will be missed. We pray that the Lord Jesus showers the family with blessings and healing and with the peace that they will see her again. She is now with Jesus and sings praises to Him. We love you all, Roy and Marisa and Rachel Good.

“ Dearest Dixon Family,

*It was my honor to love your mom for over 30 years. She treated me like a daughter and I loved that most about her. She was quick witted and would give us stern look if we deserved it. This woman loved her husband and her children with every breath she took. The world is a little more lonely without her in it, but pop surely welcomed her with open arms.*

*My heart aches for you all but my soul rejoices knowing that she is with the KING of all KINGS!*

*I love you all and pray God gives you a peace that surpasses all understanding.*

*To One Heck of a Lady! Your strength, courage, determination to take care of all of your men was unfailing! I know that you wanted each son to be happy and to have someone that truly loved them no matter what... I remember you telling me once that happened your job was complete. I admire you and thoroughly enjoyed the stories you and Bill shared of your courting years! You are now with the love of your life and at peace! No one can replace you we can only share your spirit in our memories that we will treasure forever! All of your biys had one heck of a mom ... one that will be with them forever in their hearts! I have missed you for years and thinking of you always brought a smile and always will. Peace be with you now and be the Angel looking over us all!*
