

Samuel Williams McNabb Jr.

August 26, 1960 - June 4, 2025

Samuel (Sam) McNabb, 64 of San Antonio, Texas went to be with our Lord and Savior, Jesus Christ on Wednesday, June 4, 2025. Sam passed into eternity peacefully surrounded by his family. He was born in Houston, Texas to Samuel McNabb, Sr and the late Barbara Jungmann McNabb. Sam is survived by the love of his life Debbie and was married 39 years. They shared two daughters, Samantha Nicole (Daniel) and Nikki Christine (John) and step-son, Derrick Johns.

Sam also leaves behind a sister, Terry (Gordon) Hughes, brother Mike (Alicia) Lavender, nephews Jack, Stephen, Sean, Brandon, nieces Bethany & Bayleigh along with numerous great nephews and nieces.

His greatest love of all were his granddaughters Kaylee, Karlee, Harley, Faith and Kara. Those little girls had that big 6'4" tough man completely wrapped around their fingers. Their Paw Paw loved them to the moon and back millions of times.

Sam was a lineman by trade and worked several years with Texstar Enterprises and later was a foreman with Quest Utility Construction. He was

instrumental helping build Quest from the ground up to what it is today. His partners, Roman and Big Mike were dear to him. They could all fight, cuss and laugh in the next minute like good ole boys but always got the job done. He was known as a legend in his field. He taught many along his years of service. When Sam was not at work he was at his local hangout, Bucks Saloon, hunting or fishing with his daughters or friends. His uncle Tom once said, give that boy a pole and he could find a fish in a puddle of water. Sam taught his daughters how to fish with the best of them. He would always smile when they reeled in a big one.

When the girls were growing up if they ever injured themselves, he would make them mad and always say, you'll be okay, it's a long way from your heart. What they didn't know is through their Daddy's toughness he was preparing them to stand up for themselves in this world. He loved his girls. Sam will be missed by all, rest peacefully, thank you for years of memories.

He always said, Sounds good, turn it up. Until we meet again, know you are loved and will never be forgotten.

Celebration immediately following the service will be at his favorite hangout, Bucks Saloon, 3751 Loop 1604 South, Adkins, Tx.

“ I have know Sam since we were young kids. We went to elementary school and middle school by bus together. He would come over to my house before school and my mother would make us breakfast and then we would walk to the bus stop together. We fished and hunted together for a lot of years and had some very good times. He was one of the toughest dudes I know, and and I will always remember him. I am glad I went to see him a couple of weeks ago and shared some old memories together. He loved his family very much and was proud of his girls. God Bless you my friend.

“ I've known Sam since the 2nd grade along with our friend Steve Webb. We went to Olmos elementary together for a few years until I moved out of the area. Then one day in the early 80s I started working with local areial CATV construction company. After a lot of years I ran into Sam and Steve again. Not sure we're Steve is these days, but I've kept up with Sam all these years. Until we meet again my old friend. God bless.
