“ I will dearly miss Mr. Sam as he was known here at the elementary school he subbed for. Everyone wanted Mr. Sam, not just to sub, but to be that person that emit so much love, light, and wisdom. He would tell me stories about fishing and his sons. He would always ask if we needed anything and he could make it happen. He cared so much for the staff and students, he was our family, our other dad. If we needed coffee for the coffee pot in the lounge, he had an extra stash, if we were hungry he would bring pan dulce or tacos. If you needed a smile or hug he was there. I was saddened by the news of his passing. God truly earned an angel that day. Rest in peace and glory Mr. Sam. We love you! Julia

Thank you so very much, for your kind words. You shared so much to us about Sam during his time at your school. We all are still in shock, but take comfort in knowing he was so loved by all. Thank you again for the zoom meeting and this message.

SAM was a great human being and always had a smile on his face and quick to befriend everyone. I knew him since the 70's when we were both starting out getting involved in politics. Condolences to the family May he Rest In Peace.
